

Wean-To-Finish Drinker

Top Gate Bracket

Our mounting bracket holds the drinker securely in place.

Less Waste, More Pig.

Stainless Steel Hog Drinkers

VAL-CO's Stainless Steel Hog Drinking System will provide just the right amount of water, reducing spillage by as much as 40%. The Drinking Cup protects the Hog Nipple and allows a small amount of water to attract the pigs to drink more. Models available from Nursery to Wean to Finish Cup.

- 304 grade SS cup, pipe, nipples & fasteners
- 48" & 36" SS pipe with 1" off-set bend
- Welded oversize pipe thread, eliminates leaks caused by crushed pipes
- Sanitary, non-seamed cup edges allow complete cleaning
- Top gate bracket fits round or angle
- Safe for all pigs; no sharp edges
