

# Our New Panel Fans Provide High Durability & Performance.

The new Panel Fans from VAL-CO are currently available in 2 sizes – 36” and 48”. One of the key features of this fan is the availability of the belt tensioner option, which self adjusts the belt

tension on the fan with no intervention from the user, allowing you to get the best flow possible. These fans also carry a 2 year warranty.

## 48” Galvanized Panel Fan

- Heavy duty fan housing and orifice
- Single and three phase motor options available
- Ultimate durability and performance
- Heavy duty 15 gauge galvanized steel blades
- Drive system: belt drive, optional belt tensioner, premium cog belt
- Engineered composite driven pulley for maximum efficiency and life
- Industrial grade bearings are sealed, pillow blocked, keyed greasable and self aligning
- Optional cast aluminum blade available

## 36” Galvanized Panel Fan

- 230 volt/60hz/850RPM motor or three phase motor option available
- Heavy duty 15 gauge galvanized steel blades
- Heavy duty galvanized steel housing and orifice
- Optional cast aluminum blade available

Optional belt tensioner automatically adjusts the belt tension without intervention from the user.

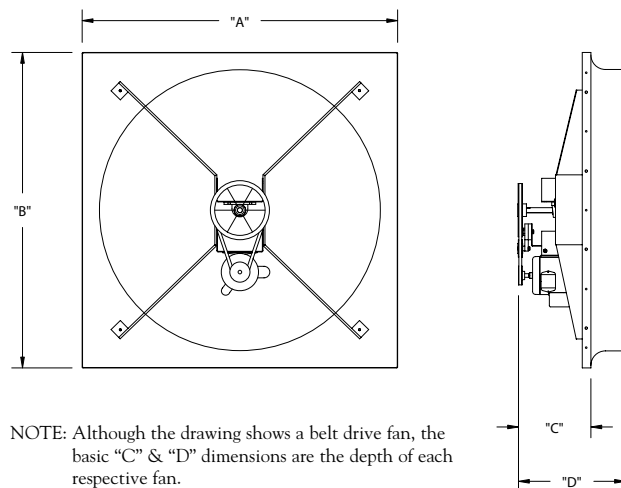

The 48” fan is shown above, while the 36” fan is shown here on the right.

Let us help you  
grow your business.

VAL-CO is here  
to supply you with  
innovative products and  
we guarantee quality  
at competitive prices.

## Dimensions for 36" & 48" Panel Fans

	Panel Fan	
	36" Fan	48" Fan
"A"	43 1/4"	55 1/2"
"B"	43 1/4"	55 1/2"
