

Raise Your Calves in Comfort...

With the Modular Snap-Lock Comfy Calf System from VAL-CO

– The Next Generation in Calf Rearing

- Comfy Calf Suites make feeding and animal inspection faster & easier - no more feeding calves outside, in calf hutches.
- Improved air quality - improves the health of your calves.
- Plastic, sanitary dividers isolate calves - reducing disease contact.
- Quick removal dividers - makes cleaning pens a breeze and allows group housing as calves mature.
- White plastic feeding pails mounted on exterior side - increases interior space and provides easy access.
- *Unique* self-catching door latch system - for ease of opening and closing.
- *Snap-Lock* plastic planking - for fast, positive assembly and durability.

Little Known Fact:

Research has shown that calves prefer to eat from white pails.

Available Sizes

VAL-CO offers various sizes to best suit your specific needs. Pen fronts are available in 36", 42" & 48" widths and partition lengths are available in 72" & 96".
