Curtain Back

VAL-CO
offers a complete
line of cages,
ventilation,
feeding and
watering systems.

People. Products. Solutions.

Our Cage Systems Offer Tomorrow's Standards For Today's Producers.

**VAL-Comfort A-Frame Curtain
Back Cage Systems**

Features:

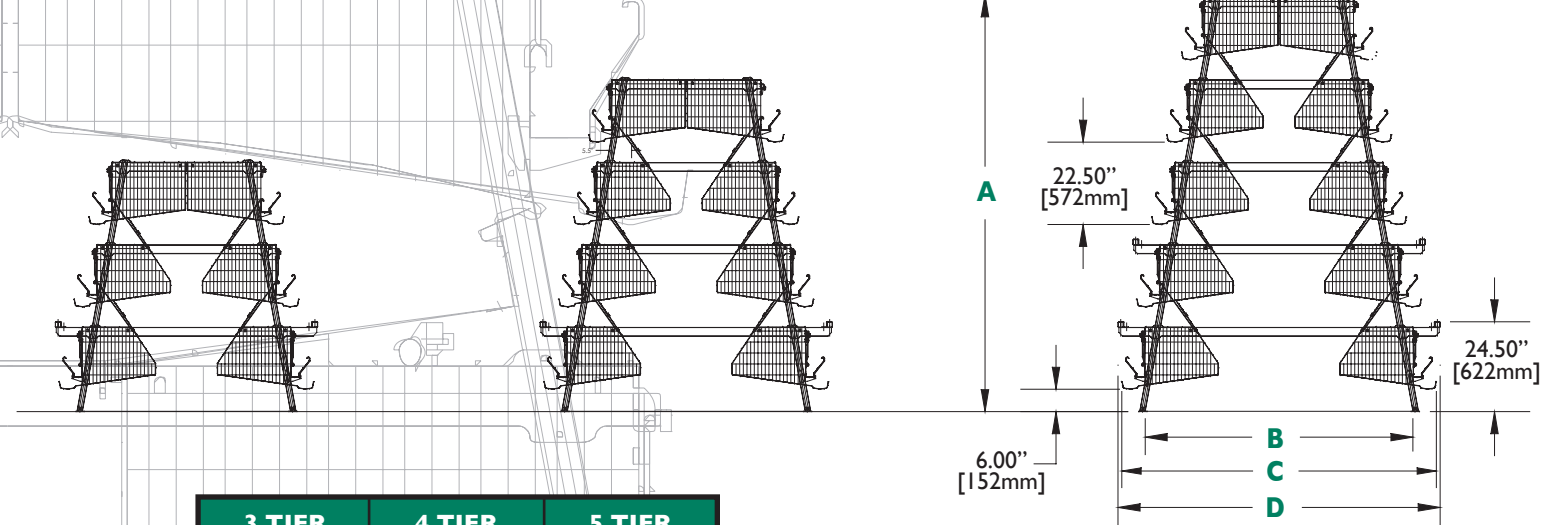

- Cage is constructed with corrosion resistant Galfan® mesh.
- Narrow and wide feed trough and chain available.
- Full sliding cage door with one handed operation.
- Rubber 'finger' egg collection system allows gentle transportation to cross conveyor for safe and precise egg handling.
- Built-in steel cart guide provides additional strength and longevity.
- Rubberized egg tray cushion will prevent checks and cracks.
- Integrated Val watering system, including regulator and flush kits, designed for easy assembly and consistent performance.

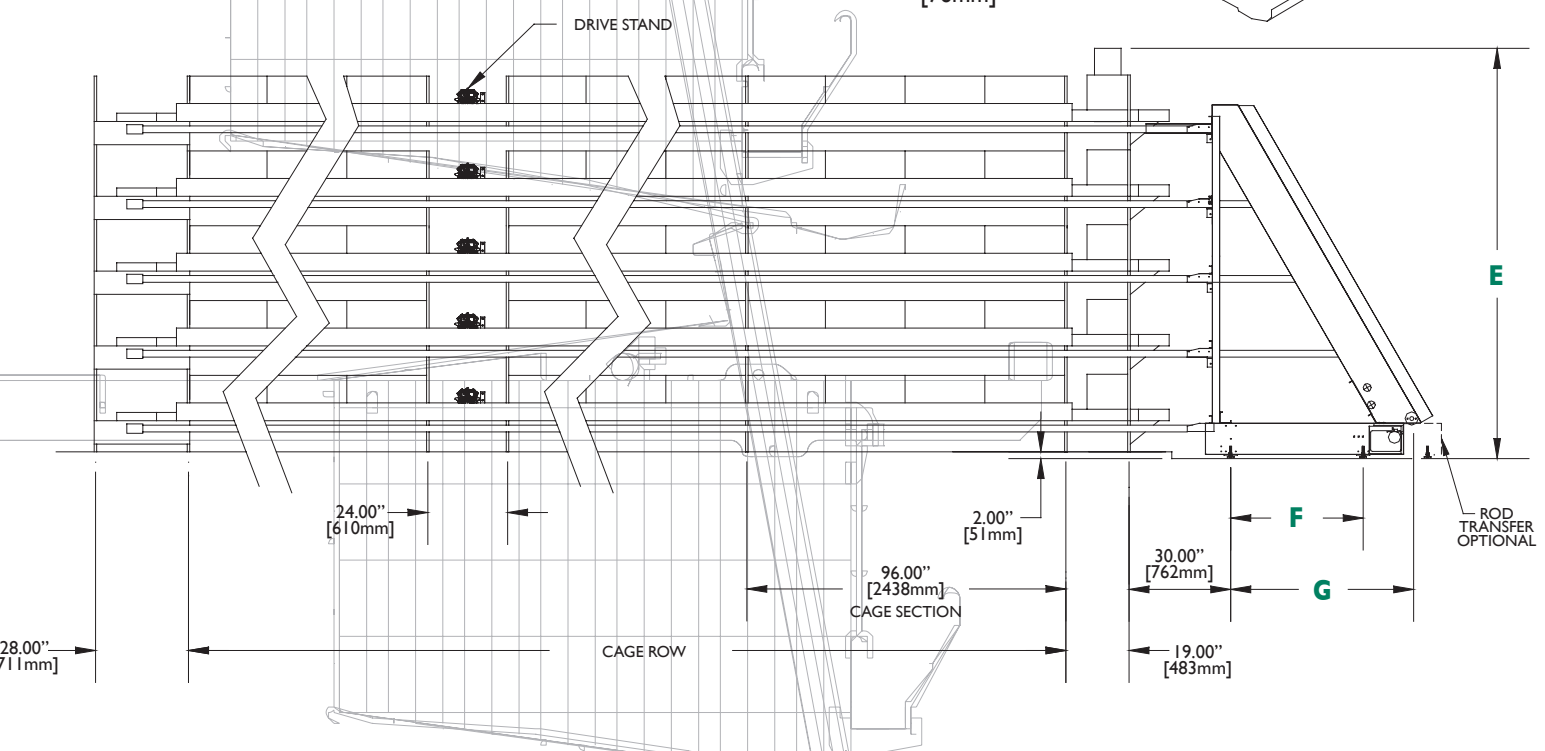

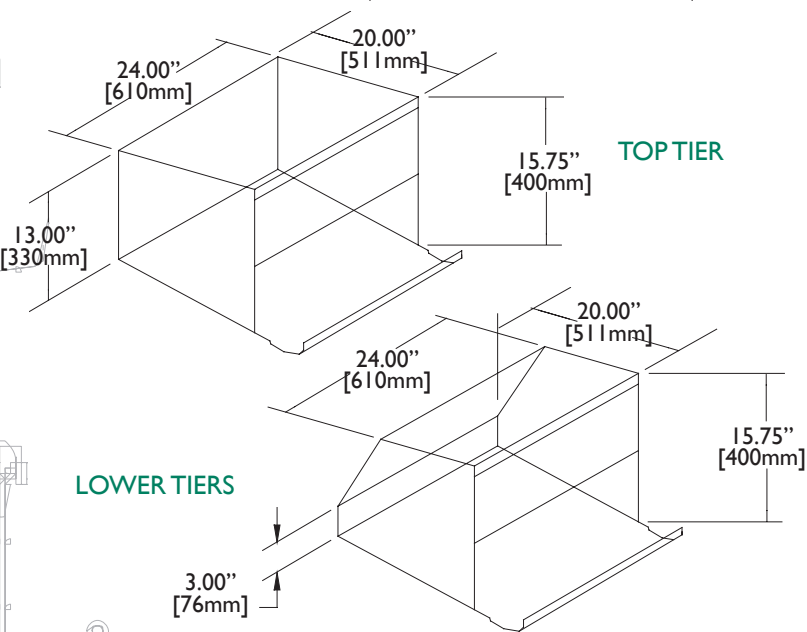

Our new, affordable cage systems have the quality and
performance you've come to expect from VAL-CO.
